Mrs Crump stated that following a meeting of the Residents Association she wished the Planning Committee to consider objecting to the Application on the following grounds:

1. It may lead to similar proposals from the 20 odd properties on Lyth Hill Road that back onto Betley Lane causing further parking and access problems.
2. The surface of Betley Lane is unsuitable for increased traffic it does not have a permanent surface and no drainage.
3. There are several children living in the Lane and increased traffic would increase the risk to their safety.
4. There is inadequate parking for existing residents and a dispute is currently ongoing.
