Thank you for calling earlier.

The SID's that we discussed were the M-SID Vario, I've attached the sales leaflet, and a photo of a solar installation for you. The battery version, which is what best suits your needs is priced as follows:

SID Vario – Green / Red BATTERY POWERED £2695.00 Each + Vat & Delivery

The additional brackets that will enable you to more easily move the devices around are priced as follows:

SID Mounting Kit £55.00 Each + Vat & Delivery

Looking at the map I'd say our nearest customers to you are in Wellington and Wrockwardine.

Kind regards
