“Protecting and improving the quality of life for all Bayston Hill residents”

Item FC55.23/24

We have been approached by the Allotment Association who have requested that the fence to the perimeter with the Shropshire Way be replaced. It is in a poor state of repair. It does not provide sufficient security to the site, not only from humans but also wildlife who can then access crops. Contact was made with more than 6 companies. 3 replied, only 2 met on site. Only 1 quote received. We have an earmarked reserve for this purpose.
