

BHPC - Chair's Report Monday 11<sup>th</sup> December 2023.

I have received a letter of thanks from the Deputy Lieutenant for Shropshire, Claire Crackett MBE DL.

Claire sends her thanks for the warm welcome she received when attending the Bayston Hill Remembrance Service last month and passes on the Lord-Lieutenant's thanks for the Parish Council's commitment to remembering those residents of Bayston Hill who gave their lives during the last two world wars.

I have asked Claire if we can post her letter on the BHPC website and share with the residents of Bayston Hill.

Claire is very keen to attend Parish Council events as often as possible, and we have already invited her to the Big Green Week next June and our Annual Parish Council meeting in the spring. She would also like councillors to give due consideration to any individuals or groups who give up their own time to support projects in Bayston Hill and we feel should be recognised for their contributions to the village by the Lord Lieutenant. Please share any thoughts with the clerk or myself so that we can pass on to Claire in her role as Deputy Lieutenant.

Caroline Clode

Bayston Hill Parish Council Chair
