

BHPC - Chair's Report Monday 10th July 2023.

The Big Green Week took place in June and the Chair, Kay Turner, Neil Turner, David Clode and myself enjoyed working with the children at Oakmeadow School. Kay and I worked with the youngest children, helping them to plant their vegetable beds, make bug hotels and a life cycle of a sunflower. Neil and David worked with year six and the children had the opportunity to learn how to use the thermal imaging camera and the benefits of using one for the environment. Many thanks go to Sam Hill, Head, her staff and the children for their enthusiasm and making us feel so welcome.

On Thursday afternoon the Big Green Fair was held on the school field and was attended by many of the children and their parents where they had the opportunity to visit a wide range of stalls and display all their 'Green' work they had done in class.

The Deputy Mayor enjoyed his visit to the BGW Fair and hopes to return next year when he will be attending as the Mayor.

Many thanks to all BHPC councillors and staff who gave up their time to support all the events during the week and to the members of the BGW for organising such a successful week.

Caroline Clode

Bayston Hill Parish Council Chair
