

Chairman's Report August 2024

Not a great deal to report this month but, having attended the centenary exhibition of the Memorial Hall over the Bank Holiday weekend, I must express my congratulations to Allan Caswell for organising this event. The amount of work he has put in to bring this to fruition was certainly repaid by the residents of the village who turned out in large numbers on all three days. The 'then and now' photographs on display were of particular interest to most people who attended. Well done to all who contributed to this important occasion which also served as a commemoration of those who gave their lives in two world wars for our freedom.
