Clerks report August 2024

Cllr Lewis has resigned from the council, a letter of thanks has been sent to him. We now have 13 of 15 spaces filled.

Staff appraisals have been taking place during August, these will be shared with Finance and Personnel Committee on Sept 30th.

D Engler has now left his post, an update for members is on this evening agenda. An advert for the post has been shared again.

The Community Energy Fund application has now been made after considerable collaboration with Midland Net Zero Hub.

Another very successful Repair Café took place under the guidance of Cllr Underwood and the volunteers. Cllr Underwood and the CNWG have also entered a SALC competition for a Climate Action Award, sponsored by Save Our Shropshire.

We have had a preliminary meeting with the volunteers at the Sensory Gardens and a teacher from Severndale with the hopes in the new year a cohort of children can come and learn some skills.

The work on the pitches is almost complete, thanks must go to Martin Clarke from Bayston Hill Juniors who has given up a lot of his time to help reconfigure the pitches.
