The precept request went in to Shropshire Council on 23rd January.

Longmeadow refurbishment is a week in and going well and should be finished by the end of this week.

Pavilion project – the first meeting was very successful with everyone invited attending. The second meeting is next week and I hope to add in an extra ordinary council meeting to approve the plans.

The newsletter has had 60 sign ups with 45 people opening it, I have put the details in the next villager so hopefully this number will increase steadily. Please forward anything to me that you would like to see included.

I was very pleased to be able to go along to the Repair Café on February 17th, it really was a brilliant community event and I was in awe of the creative repairers, residents were very complimentary.

We are hoping to do some tree work throughout the year and we had a very good meeting with our contractor who has produced a schedule – it is on this evening's agenda.

As we head towards Annual Council can I remind members that under our Standing Orders, a Chairman can only be in that post for 2 years, therefore a new Chairman is needed in May.

A reminder that we have a GDPR session online next Monday 26th Feb at 6pm, you will find the link in your calendar.

Preparations have started for the Annual Parish meeting and a number of groups have already agreed to attend.
