Clerks report February Full Council 2025

Elections – although no official communications have been received for me to share, I do expect to have information to forward to you shortly. I will be attending a briefing from SC on 25th Feb.

We will be having initial advice from SC on 25th Feb regarding our Neighbourhood Plan, next steps and further information will be shared at next FC.

We have had 3 meetings with RenewEv regards their proposals for the Pavilion Project, hopefully we will be able to share their findings very soon with FC.

The planning application for the Pavilion is stalled with the legal team at SC, our architect is chasing frequently. The tender is being prepared and we will tie in the proposals from RenewEV before bringing it to you for approval. This will go on the governments "Contract Finder" website but several local firms have been identified as possible interested contractors.
