Clerks Report July 2022

Apologies for the brevity of this one due to a short gap between reports and my annual leave.

The exercise of public rights to inspect the finances was published and is running now (15th June – 26th July). All paperwork was sent to the external auditor – PKF LittleJohn on 15th June.

Pitch maintenance starts 11th July. Long Meadow playground starts w/c 18th July.

Welcome Back Fund development on hold as Services Committee requested that existing benches are refurbished. However, I have not been able to contact the recommended person. We have committed to positioning the items purchased at The Parade in the report to the funder so 2/3 if not all of the new benches will have to be added to the Parade in addition to the refurbished ones. We have delayed delivery of the cycle rack for as long as we can and have had to now arrange delivery to the Pavilion, there will now be a cost implication to move it to the Parade when we are ready due to its size.

New staff member – Ian has joined us on the Handy Person team this week, Peter has planned a 2-week induction and I will report back on how he's getting on in due course.

COMING UP Monday 18th July with Kim Bedford is now booked; I will be circulating a questionnaire from Kim ahead of the session to you all. Please note it's a 4:30pm start.

Big Green Week 1st – 9th October

Have a good summer.

Julie Hodgkiss, Clerk/RFO
