### Clerks report July 2024

Recruitment and new starters.

Interviews took place late June for the Handyman and Cleaner roles, thanks to Cllrs Ruscoe and Clarke for attending the panel.

David Engler joined us on 1<sup>st</sup> July as Handyman for 13 hours a week. Rachel Carswell joined us on July 1<sup>st</sup> as Cleaner for 5 hours a week. They have both settled in well.

The zipwire was officially unveiled on Friday 28<sup>th</sup> June by Cllrs Shaw, Ruscoe, Underwood and Clarke assisted by our special guests Isaac and Daniel.

The new floodlights for the Bowling Green were completed last week, as I write we are looking forward to seeing them when its dark (difficult in July!)

The French drain has been installed on the playing fields which will alleviate the dreadful flooding issues we saw during the Winter/Spring.

Work is almost complete on the pitches, suggestions for a slight alteration in pitches is on tonight's agenda.

The audit work is still ongoing, submission was made to PKF on June 24<sup>th</sup>, I am working on some routine queries they have sent back (this is normal).

A reminder to all that we have our Strategy/Budget meeting on July 27<sup>th</sup> at 9am.

Thank you  
Julie
