### Clerks report October Full Council 2024

Staff appraisals have now been completed and details have been shared with Finance and Personnel Committee on Sept 30<sup>th</sup>.

D Engler will leave us at the end of October, recruitment to this post is later on the agenda this evening. Dave has been a great addition and has worked flexibly and proactively for which we are grateful.

The Community Energy Fund application was successful and we have been awarded £39k in order to make our Pavilion project as environmentally friendly as possible. I have already started discussions with our successful contractor RenewEv who will shortly be meeting with us and providing a project plan. The planning application for the project is now live and should conclude on 21<sup>st</sup> November.

The telegraph poles installed without permission are being removed shortly.

We have begun discussions with the new agent for Balfours -as their previous long serving agent had left-regarding the Glebe. A meeting is being planned; we have agreement for this in principle but no details as yet.

The Macmillan coffee afternoon raised £168, with thanks to the Memorial Hall for hosting.

The apple pressing event was a success once again, thank you to several Cllrs and Peter for attending.

Redrow have requested a meeting so I have added an additional Full Council meeting on November 4<sup>th</sup>, normal time 7.15 but it will be at Christ Church – agenda to follow this week.
