“Protecting and improving the quality of life for all Bayston Hill residents”

FC130.24/25

Background

Bayston Hill Scouts and Guides have lost their facility at the Glebe, this included storage for their equipment. They have requested to site a container on our land as shown in blue. We have had a site visit with their committee and it would not impinge on the BHJ container that is there or on access to the fields.

They have also asked permission to site the minibus and trailers x 2 (which are already there).
