### Background

The allotment association have been requesting improvements to their perimeter fencing for several years.

Last year, Full Council declined to appoint a contractor to replace. A renewed request was made to Cornovii (currently building on the old Oaklands School site) to donate the security fencing.

It was delivered on 17<sup>th</sup> April.

8 companies approached.

6 met on site.

At time of writing quotes received

Contractor	Total	Comment
S	£11,015.74	Declined to quote to use donated fencing
B	£14, 000	Very hard to quote for install the one what is there and the time to dive through it all etc and then needing more panels Your going to be not far off the same value I would strongly advise not using them
