Dear Ms. Hodgkiss,

I am writing to informally consult the Parish Council on the proposed diversion of part of Bayston Hill Public Footpath 51 and part of Berrington Public Footpath 84 that are located at Bayston Hill Quarry. Part of the Public Footpaths in question are located in your Parish, with the remainder located in the Parish of Berrington. Berrington Parish Council have also been consulted on this matter.

I have attached for the Parish Council's information the following three documents –

- Appendix A is a location map that shows these Public Footpaths in the context of the wider area. The area of focus for this proposed Public Path Diversion Order is circled in red.
- Appendix B is a Public Path Diversion Order Map that shows the proposed change.
- Appendix C is an explanatory note and the Legal Order route descriptions.

I would be grateful if you could forward any representations the Parish Council wish to make regarding this proposal within 28 days of receipt of this email. If I do not hear from you, I will assume that the Parish Council have no comments to make.

If the Parish Council have any questions regarding this proposed Public Path Diversion Order, please do not hesitate to contact me.
