

Clerks report November 2025

Staffing is still reduced currently due to ill health/holidays. We took the decision to get a contractor to line the pitches as the staff were unable to complete them due to time available/weather and equipment condition. This is expensive so we will have to consider pitch condition on a week-by-week basis.

Sadly, we had to cancel the apple press event due to circumstances beyond our control.

The Scarecrow Trail was successful and we hope to have more houses involved next year!

Myself and Cllr Underwood attended the SALC AGM which didn't provide us with much fresh information but always provides us with good networking opportunities.

Remembrance Observance is tomorrow, we kick off at 10.30 with speakers, the school and VIPs laying wreaths. Special thank you to Chris Stevens who again will be providing us with a PA system and the all-important bugle.

Most other matters are listed on tonight's agenda or included in other reports.

Dates

Finance and Personnel 24th November

Full Council and Planning 15th December

Holidays

The office will close at 1pm on 24th December and re-open on January 5th.
