

### **FC 75.17    Community Led Plan Review**

Cllr Lewis conducted a project with Oakmeadow School in which pupils from Year 6 looked carefully at the features of the village they considered to be Treasures and Eyesores. They subsequently wrote to the Council making suggestions for improvements. Copies of the letters are included with these reports.

**The Council is invited to consider the need for improved pedestrian safety on Lansdowne Road near to the school exit and identify any appropriate actions**

**The Council is invited to consider further improvements to Longmeadow Play area, including the removal or use of the toilet block and blue container.**

Councillor Lewis will give an update on the progress towards the development of the plan questionnaire.
