“Protecting and improving the quality of life for all Bayston Hill residents”

S25.23/24

Background

The floodlight quote was initially to be seen at Services Committee in June 2023. This meeting was inquorate so the item rolled to Full Council on July 10th. At Full Council it was decided to defer the discussion to the Strategy meeting in July, where it was decided it did not represent good value for money.

A floodlight is now broken so we brought quotes to Full Council on 8th April 2024 and members asked for quotes to be seen for all the floodlights to be replaced.

We have asked the contractors to refresh the quotes.
