FC44.24/25 THE PAVILION
TC proposed “Could we perhaps pause our plans for the Pavilion, please? And now thoroughly consider the SC Library Head’s previous suggestion to convert the spacious former garage into a PC office and local community space. If carefully redesigned it could I believe be a much more attractive and accessible office, being on the 27 bus route and with parking for half a dozen cars. Importantly it would also safeguard the future of our library”.
Amendment tabled by MU “This Council will continue with the development of its facility at the Pavilion and will work with Shropshire Council and other stakeholders with the aim of securing the long-term future of the Bayston Hill Library for the benefit of the residents and others who use the library from outside The Parish.”
All members took part in the debate.
