Dear Julie,

I hope this letter finds you well and that your health has continued to improve.

As you are aware Bayston Hill Parish Council and very many of our residents were alarmed to learn of plans to build on the Glebelands here in the centre of the village. We were delighted back in August when these plans were withdrawn and we have subsequently supported resident calls to designate this area as a Village Green.

The Full Council met last night and have asked me to write to the Diocese and ask if they would consider selling the land to the Parish Council and what the asking value would be.

Please can you forward the request to the relevant committee within the Diocese please?

Yours sincerely

Julie Hodgkiss
